

Honors Geometry (2016 – 2017)

- **Grading:**

Homework (work habits grade): Homework may be graded for completion and/or accuracy. **All work must be shown (not just a list of answers)** to get credit. Late work can be turned in until the unit Summative assessment for half credit.

Quizzes (Interim assessments) 40% Tests (Summative Assessments) 60%

- **Make Ups:**

Tests and quizzes must be completed during the class block; students will not be allowed to finish tests or quizzes after school. **If you miss class on the day of a test or quiz, you will be expected to make it up the day you return.**

- **Quizzes:**

When applicable, you will be given a Checkpoint Quiz to verify that you understand the concepts that we have been studying in class and in your homework. If you do not earn full points you may come in during PAWS for additional instruction and a chance to earn those points back. This must be done before the unit Summative Assessment. Participation Quizzes are done during class, if you have an excused absence you will be excused from the quiz

Cell Phones:

If I see it, I take it! I will either take it for the class period, the end of the day, or give it to the office. (See Black and White Rules from Mr. Rundle)

- **Tutorials:**

I will be available before school but this will vary based on meetings. If you would like to confirm a time with me please email me.

The joy of understanding • The certainty of safety • The gift of struggle
